Event	Session Details	7:30-7:45	7:50-8:05	8:10-8:25	8:30-8:45
<b>Visual Fine Arts</b>  Art Gallery	See what creative things are happening here at CMHS. View different works created by current art students. A variety of mediums, techniques, and projects are showcased.	Milton Payton Performing Arts Atrium			
<b>Science</b>  Flames, Friction, and Fungi!	Come and explore the exciting world of science through hands-on lab experiences! Students and parents will be able to take part in biology, chemistry, and physics lab activities.	Rooms: C203 C205 C207	Rooms: C203 C205 C207	Rooms: C203 C205 C207	Rooms: C203 C205 C207
<b>Math</b>  Weapons of Math Instruction	Collect an arsenal of math tools that you and your student can utilize to fight the battle of math homework. We will offer a hands-on opportunity to operate a graphing calculator and students (and parents) will receive resources to lead them through the obstacles that may be encountered at home with high school math.	Rooms: A201 A202 A203	Rooms: A201 A202 A203	Rooms: A201 A202 A203	Rooms: A201 A202 A203
<b>English</b>  Clicker Conflicts	Students will participate in an engaging and interactive technology-based English classroom demonstration where they will compete using Clicker Technology while previewing themes, skills, and literature taught in freshman English and reading courses.	Rooms: B104 B105 B106	Rooms: B104 B105 B106	Rooms: B104 B105 B106	Rooms: B104 B105 B106
<b>Social Studies</b>  The Freshman Experience	Learn about “The Freshman Experience” and the components of the freshman mentoring program, Ignition. Ignition is a transitional program designed to help freshman students start off on the right track for their educational career.	Rooms: B203 B204 B205	Rooms: B203 B204 B205	Rooms: B203 B204 B205	Rooms: B203 B204 B205
<b>Guidance</b>  Planning For Your Future with Naviance Succeed	Learn about the services available in the guidance department including a demonstration of Naviance, a web-based resource available to students and families that supports career and college planning.	Rooms: B101 B102 B103	Rooms: B101 B102 B103	Rooms: B101 B102 B103	Rooms: B101 B102 B103

<b>Career/ Technology</b>  Paving the Way Using Hands on Development! PLTW Introduction to Engineering Design	Led by CMHS engineering students, you will be exposed to a brief and inviting tour of the Project Lead The Way Pathway to Engineering Program. Student demonstrations will include Boe Bot Design and Programming, Electrical Circuitry, Bridge Design, Puzzle Cube Design, and Electrical Energy from Water!	Rooms: E101 E105	Rooms: E101 E105	Rooms: E101 E105	Rooms: E101 E105
<b>Special Education</b>  A Pathway for Success Towards Independence	CMHS services over 300 students with special needs. Our staff, consisting of highly qualified teachers and support staff, provides students with the tools necessary to succeed not only in school, but in life. In this session, we will discuss the many different facets of the special education department. There will also be time for students and parents to ask questions.	B206			
<b>Parent Resources</b>  Stay Connected	Learn about the different portals to stay connected with the high school and your students. You will learn how to view your child's daily attendance and grades in addition to other vital communication tools as they relate to your child's high school experience.	E100	E100	E100	E100
<b>Athletic Practice</b>  Varsity Boys Basketball	Watch your Varsity Warrior Basketball Team at a special evening practice.	Gymnasium			
<b>Activity / Athletic Fair</b>  Find the Warrior in You!	Meet coaches, athletes, and sponsors from all sports, activities, and clubs that CMHS offers. Get involved!	Field House			
<b>Media Center</b>  It's Not Just Books	While touring the building please stop in the school library. It is a place for students to do research, read for enjoyment, and to use electronic resources.	Media Center/Library			

8:45-9:00: Refreshments and Prize Drawing– Cafeteria
